

To whom it may concern

My name is Andrei Kozlov. I am the father and personal coach of Stefan Kozlov, former No 2 on World Junior Ranking and ranked as high as 115 on ATP world ranking. I am owner, founder of Kozlov Tennis Academy in Pembroke Pine, Florida. Since 2003 I have coached developed many professional players.

I'm writing this recommendation for Nandor Veres as a friend and coach.

I meet Nandor first time at his tennis center in Delray Beach, in 2004, Nandor was coaching Melinda Czink, WTA top 50 and multiple top ranked players.

I was able to spend time with Nandor at his academy Florida Tennis Center, later named Veres Tennis, in Delray Beach, and presently at Lake Worth Florida.

We became good friends and I was able to learn a lot from him. He's got gift to recognize talent. Nandor's knowledge of the game is superb as he's worked with and developed multiple top 100 players. Nandor has a great love and passion for tennis and is highly involved with all levels of kids at his Academy.

We cooperate and work together since, we bring our players to train together frequently so that I can receive his feedback and guidance.

There are not many coaches that I would trust but, I do trust Nandor completely with any evaluations and recommendations with my players.

Nandor is one of the best coaches I know.

I very highly recommend Nandor in all aspects of tennis from coaching players to coaching the coaches.

Sincerely,

Andrei Kozlov
