

To whom it may concern,

My name is Peter Nagy, a four times National Champion, Davis Cup player from Budapest, Hungary!

Between 2013-2017, I have worked several years with Nandor Veres SR and Nandor Veres JR., at his academy. They have helped me grow, develop not only on the tennis court but as a person also! I have achieved my dreams playing and working with them, day in and day out for years!

I believe Veres Tennis is a very good environment to train for any age! They are extremely professional, helping in every way possible! Mental, spiritual, lifestyle and doing an unbelievable job building up the psychical abilities of a player.

With the help of Nandor Veres SR and Nandor Veres JR I progressed from 1300 on ATP ranking in 2013 and reached career high 400 in the ATP tennis ranking in April 2017, within 2 and half years!

During coaches Veres guided my programs, I have beaten 2 players from the top 100, and also represented and win matches for my county in Davis Cup.

Without their huge help in my career, I would have not reach all these wonderful achievements.

I can whole heartedly recommend coaches Nandor Veres SR and Nandor Veres JR, to anyone who seeks to reach their true potential.

Peter Nagy
